Hi and welcome to the forums i'm quite new here too but anyway welcome
This is not my mappack but it's cool contains many Ai maps and bots are smarter that skirmish
here:
http://www.game-maps.net/index.php?action=file&id=326

And about single player i had a mod that gives you beacons in singleplayer and it has a file that
uses cinematic commands and you can edit them. (there is one more that provides godmode and
beacon but i can't attach it because of the max file size so if you want it just say)
