Goztow wrote on Thu, 17 April 2008 02:00Don't forget we also have rene drama!

I think Renedramas are ok to have as long as it is kept under control; like my recent "Banned for aimbot LMFAO" topic. Sure, it was drama allright about a game but it was fun.

It is only when people start to flame and post lolcats that it turns to an inferior quality drama.
