I agree with most of Oblivions rants except for the Tiberian Sun part... I thought it was pretty damn good to be honest. However, they MAJORLY fucked up C&C3, both story-wise and gameplay wise. Alot of the teams just seem to be "same shit, slightly different". Everything has some form of close equivilent .

And also, spoony, to be honest, would it be better for him to complain "OMFG I AM NEVER BUYING THEIR GAMES AGAIN", then he ends up buying them again?
