Those comments might bother me if you were of any importance
ouch... interesting to see I struck a nerve and you're pretending I didn't... they bothered you
enough to get this defensive.

no need to defend your opinion, nobody's attacking it... just your actions.

Oblivion165 wrote on Sat, 19 April 2008 15:05I'm looking through my post and see nothing
mentioned about me being entitled to anything from those people. I hurt them intentionally the
same way a person would beat the crap out of someone with a steel bar. It's not because I think I
am entitled, its because I want them to die.
k... I figured you were just a self-righteous scrub, but I guess in truth you're a disturbed outcast...
judge for yourself whether that's a step up or down

Section 1: That wasn't defensive.

Section 2: You did. "WAAH they only want money" etc

Section 3: It's none of your concern.

@TD I would be willing to take that on. If there is one thing I'm willing to argue about, it's EA
Games.
