1.

They planed to have an M16 rifle in renegade:

As you know, in the available part of the commando-mod-package are A LOT of original WW assets. there is also an M16 in.  
so, may be, this M16 is westwood???

2.

Does someone has the Beta GDI APC? (it has wheels):

3.

Does someone have the beta chemsprayer?
