Spoony never loses any debate.
Anthrax cheating debate?
He still hasn't lost that debate since anthrax couldn't prove he didn't cheat.

if u rly think i cheat there's somethin wrong with u - i didnt even do anything suspicious in those games...and i couldnt take an SS of renguard (which proves nothin with *cheat name removed*anyways) because i wasnt on renguard, (crimson even checked the global renguard logs) and my story only changed once, it went from i didnt think i was on renguard, xpert said somethin like WELL MY BOT SAYS U WERE, i was like..i wasnt...crimson said i wasnt...your bot is gay, my story changed maybe 0 times...but spoony wouldn't admit hes wrong ever i took the one ss i could possibly take that i was asked for, and it was clean...get over it LOL
