except I never complained about that or said it was you. This is what's known as a "straw-man" argument.

NSStRyKeR wrote on Fri, 09 May 2008 12:47jeez spoony, you're even more unintelligent than i thought, calling me out on something i already admitted to - you're the most stubborn person i've ever met Imfao
this is your way of diverting attention from the fact you lied about the situation again.
