Lmao, so Cabal is yet another angry person to have a debate with you, Spoonly?

@Cabal, that 'proving Spoonly wrong' thing -> He locks topics most of the time when someone makes a good point. He also debates ABOUT me (also lying about what I supposedly did) while I am suspended by him, so I couldn't post proof nor talk back. If anyone else posted THAT proof for me, they'd get suspended as well for TALKING for me.
