if you want an apache on other maps then all you have to do is copy and paste this to note pad
then save it as cnc_c130drop then put it in data, heres what you paste:

```
 -1 Create_Object,  1, "V_NOD_cargop_sm"
-1 Play_Animation,  1, "V_NOD_cargop_sm.M_cargo-drop_sm", 0
-1 Play_Audio,  "C130_IDLE_02", 1, "Cargo"
-360 Destroy_Object,  1

-1 Attach_To_Bone,  3, 1, "Cargo"
-180 Attach_To_Bone,  3, -1, "Cargo"
-900 Attach_Script,  3, "M02_PLAYER_VEHICLE", ""

-300   Create_Real_Object,    4, "CnC_Nod_Apache"
```

its very simple,when you buy a vehicle it will drop an apache on the air strip after the vehicle you
bought, note: only works as nod.
and if you are the host
