KristyGirl wrote on Mon, 16 June 2008 13:37lol I say the funniest thing so far for me was on a marathon server and it was just me and my flamer left and another buggy and when we started to take hits, the enggies all rushed to repair the buggy. Even though we were right next to each other. So my tank died and we lost the game, we would have won if they wernet so stupid.
Wtf? Buggies are liek t3h best vehicles, 1 hit kills pl0x?
