Wow, now I wouldn't normally agree.., but that really is quite a lame excuse.

I think I have been banned from every server on the WOL/XSWIS list. Look at me, I come back a year later and everything is forgotten.

I did buy 6 copies of the game for £10 (3 for £5 FTW).

Down to my last two CD keys, not gonna cheat on them cause I don't want to have to buy more.

Best way I know to get unbanned is to send $20-30 to Crimsons house.

I have her P.O. Box address somewhere around here, lol.
