Subject: Question: Would you play Renegade if....
Posted by The Argon Array on Thu, 24 Jul 2003 14:28:05 GMT

YSLMuffinsOh, then you should've said that in the first place!

http://www.lavasoftusa.com/ Download ad-aware and scan for spyware. Remove everything that you find.

Thanks for the link, found 80 Objects running and a load of Tracking cookies.

Thought I had got rid of all that Gator garbage as well...
