AuroraAlphaHL2 wrote on Thu, 03 July 2008 15:27yeah, EA didnt give u pwrmission to open up a fan site. and what about your renguard. It's illigal right.

renguard is illigal.

I've never heard so much shit in my entire life. Just so you know, this site was obtained from Westwood, when they were disbanded, and given to Crimson and Blazer. And Renguard is perfectly legal as it uses no illegal code and no methods to hack into or reverse engineer game.exe of Renegade.

Get some knowledge.
