cheesesoda wrote on Fri, 11 July 2008 17:22I like to believe that I believe to believe for the believing that results in the belief that I believe to believe. I believe.

Is you seriously that stupid to not realize that the CATALYST skin is for... CATALYST and NOT Windows?

I believe believing is the irony of beliving you belive because ultimately you don't believe, it's belief.

I Believe.
