I was reading through my old posts and i'm really sorry for the people that i have hurt feels to. I was little back then and i didnt understand alot of stuff that was going on here. Maybe i will come back here when i will grow up. Since people here are more intelegent than me, that means that i'm here only for fun.

And again, i'm really sorry.

And sorry for FWP clan for being mean to them, John made me do it. He said to hate FWP and not respect them.

But i'm still working on my mod, and i will finish it hopefully when i will be 15 or 16. I will come back someday, but not tommarow or next week, i mean "years"

I will change my renegade account name, change my serial, change my IP and play on the servers without hacking. I will run Renguard.

Cya, (do not make fun of me cnc95fan, i'm serious.)
