@nikki: lol, so true

I voted I dunno, because I have no idea what you are asking. I think that the olympics should have been in a country that didn't have to as much uprooting as China did, but I'm not on the olympic committee. Without Paul and Morgan Hamm, the US is FUCKED in Gymnastics. But maybe the seconds can manage to pull out a win or medal.

Noticed this during 04 Olympics: Why recently, are the olympics held on US presidential election years?
