Hi guys, yes i am a newbie, i recently bought Command And Conquer The First Decade and i started to play renegade online, Ive been playing for three days now and i have not been ranked yet, i have done some research on this problem but i have not resolved it yet.

i was told it has something to do with Westwood closing down or something like that.

i am registered

if any one can help me ill be on my msn account, thnx for your time
