I actually came back to say "lol"

Yeah, these people need to know what is respect. Just because it is internet doesn't mean they should be dorks to other human beings.

EDIT: I think this was the best thing to happen to Renforums. A bit of harsh discipline like this is good and will make the place more friendly. I think I will come back.

Please, don't. I only had to read two of your posts to feel like I had enough. A little bit of you goes a long way.
