Sk8rRIMukHavoc_eliteIF you guys are gonna hack this site... just do it and STFU with all that big 'i am the best hacker there is' talk... if some of you guys didnt know... a true hacker hacks for helping human kind... not for fun... not for status... not for fun... :sneaky:

Agrees so....

JUST SHUT UP AND GET ON WITH IT!

If you read closely there was never no talk about"I'm the best hacker here". All people said was go ahead and hack the site. I don't even know where the hell you got that from. :rolleyes:
