Hi guys, i kicked out Ferkhat from Tiberian Wrath and put him as a modeler.
He cant lead the mod, i'm pritty sure it would of fail if he would of still be the leader. Well, i think it would be better now

http://www.moddb.com/games/command-and-conquer-tiberian-wrath/news/4th-update

Please dont treat me like you guys treated him.
Enjoy the update and please support
Cya!
