OSTK STRICT POLICY ON CHEAT/HACKS PAST AND PRESENT

Quote:Recruits that cheated in the past and want to join OSTK, are 99 % of the time not welcome, unless they can proof they didn't do it on purpose.

Recruits that want to join and use cheats, are certainly NOT welcome. And if they do attempt to join us under false information, they'll get a ban from the forum & the clan.

OSTK members that use ANY form of cheat are in a temporary suspension of the clan and therefore cannot use their OSTK name till the leaders/admins discussed what need to happen. If the accused one can proof he didn't do it on purpose, then he's allowed to use his OSTK name again. (example: tested cheats on his own server, but forgot to delete a file).

ALL NOTED MEMBERS THAT HAVE BEEN KICKED OR BANNED
