lol, he has yet to talk to me by PM or by post. all he has said so far was my quotes in my topics. (and he has posted some stuff to others in other topics 2). He is getting really annoying. If he will not give up his account, i would atleast like him to use an old avatar i used to use, not some pigeon! He puts me to shame!

=Samous

(not "Samous Mods", don't get confused)\

EDIT:

Scrin wrote on Sat, 11 October 2008 01:21 i pmed sammous mods about helping me with SP mission M10.mix with C 130 drops on nod base, and he promises to help...

C-130 drops? as in C-130 drop mods? You asked him, not me, when I had been working on those wayyyyyyy more than he has! I'm even releasing 70+ mods on my C-130 mods installer, with some of the most advanced mods (C-130) i've ever seen (made)! If you're really talking about C-130 drop mods, go here:

to see my work. Now where is his experience i ask you?
