anant wrote on Sun, 12 October 2008 21:20no i did not tamper with anyfiles.
the map is cnc mesa, (with my grass skin, changes snow and stuff to grass) however it is like this
on every map so it does not madder

What else do you have added I mean explain EVERYTHING you have done before that happen to
your ob.

Also try removing all skin files inc grass and such.
