cheesesoda wrote on Sat, 25 October 2008 00:54RyuSo you're saying.. if I fall off my bike, I'm fucked? because I sinned but God doesn't come down and give me advice (Advice being a bandage for the fall)..?

flawed if you ask me.

No, that's not what he's saying. He's saying God lets bad things happen, so we learn. However, he didn't really address what I brought up. I was talking about where God actually participated rather than let it happen.

ahuh.. better wording is needed if you ask me.

ugh I hate religious topics, brb moving topic.
