That's pretty well designed, but it's not the same

A new C&C is coming up soon though, we'll just have to wait and see what it is...

it is????

i hope its like renegade

There were supposed to be two C&Cs announced in July. One was Zero Hour, but the announcement of the other was put off, it was on the Generals boards somewhere.

I really doubt it'll be an FPS though - They cancelled Renegade 2, there's really no chance that they'll pick it up again.
