Yeah, if the SW characters were used. It would be cool though to make a "Battlefront" type gamemode with the regular ingame soldiers, though. Rather than also replacing characters with ones from other games.

Still, those characters were a nice idea

I agree with Lone...LucasArts doesn't like their material leaving their work. SWM would've gotten in trouble if we had continued work. -_-

But, I would like to see Ren1942 finished to have a Battlefield-type gameplay in on Renegade, sorta.

Yeah me 2
