samous wrote on Sun, 23 November 2008 00:13i didn't try dxt5, none of the tuts said to do so.
anyway, thank for the conversion ErroR

=samous

EDIT: ... the converted vs didn't work ErroR, its still all black, and not neon-like.
didn't   now i'm angry! try this one (it seems i really put dx1 but thought dx5) try this one
