Hi,
But the thing was, that I've heard
that you can bone a knife, and some
one already did it. But I can't find
the correct link, so does anyone know
if anyone made it before? Because on
this forum they say it had been done
before. They say you can swipe it, and
that is really cool
Here is the site of the forum:
   http://www.renegadeforums.com/index.php?t=msg&goto=227364&rid=24329&
srch=knife#msg_227364
If you know where to get it plz let
me hear it
Kind regards,
Brian
