TaximesDid you guys ever get Devinoch to do the new Radio Commands?

I agreed to do the radio commands once they got me a list of what they needed. So far, no such list has arrived.

Hey Cliff,

I know this is a little off topic, and maybe you don't care, but here is something I think maybe you would like to see.

So if Ren Alert can get a patch with Dev doing the RC's he will do it.
