Cabal8616 wrote on Wed, 10 December 2008 05:58Should've waited until TT was out. I reccomend that, if you take it down, put it back up shortly after the release of TT.

TT knows when TT releases something.

Non-TT doesnt know what TT knows

so basicly, give a timetable or something, ive got some sweet new maps that me and others created for our C&C server, but we are still waiting for the patch....
