anantr wrote on Tue, 09 December 2008 16:53 Thanks di3

edit: link broken for me, can i have a .zip file?

its working

i bet you dont know where to click in the downloadpage..

look my screenshot

[Download Reborn Stuff.rar](#)

The screenshot shows a file download page. At the top, there is a file icon and the file name 'Reborn Stuff.rar'. To the right is a 'Report abuse' link. Below the file name, it says 'File type: File File size: 6,013 KB Uploaded: 2008-12-09'. There are 'Sponsored' and 'Your Ad Here' sections. An advertisement for 'Win EUR 5.000 Kerstbonus' is displayed, with the text 'Zoek de verschillen en maak kans op EUR 5.000'. A note below the file information states: 'This file has been stored on the publisher's virtual drive on 4shared.com ([online file storage](#) service). The file is shared for public access and downloading. The publisher is responsible for the content of the file.' At the bottom, there are links for 'DomainNews.com' (Free News and Newsletter about the world of domain names) and 'Compare 10+ Online Degree' (Get your online degree in your spare time. Get more info. Start Today!). There is also a 'Your Ad Here' section. The download statistics are 'Times downloaded: 9' and 'Last downloaded: 2008-12-13'. The file URL is 'File URL: <http://www.2shared.com/file/44222>'. A red arrow points to the 'Save file to your PC: [click here](#)' link, which is highlighted with a red box.
