Subject: help! server playing music has   problem
Posted by cikepower on Mon, 29 Dec 2008 15:09:53 GMT

I have run a server with brenbot1.52
include :
SSGM 2.0.2 by WhiteDragon
BRenBot.dll by Hex
SQLite Database Browser
IPBot Plugin 1.1
Custom Commands Plugin 1.1
Ranks Plugin 2.03
it run without crash ,
when i use remren to type musica ***.mp3,my client plays the mp3 ,but other clients doesn't .
anyone who pls tell me how to fix it thx a lot my English is poor ,pls dont mind
