Nice Site, but it looks Shitty if u have a Resolution over 1024x768

(I tried every Resolution over it).

Here is a Screenshot in my normal Resolution (1680x1050) for you

EDIT:

I noticed that some sections arent filled yet.

Let it me know, if you want to have a Mirror for your files.

2nd EDIT:

It looks like on the Screenshot on every Page
