Found the problem (or you made a type mistak xD )

Aucun wrote on Thu, 29 January 2009 18:20 Followed them 100% and got

```
E:\Documents and Settings\Administrator>e: (enter)
```

```
E:\>cd E:\Westwood\RenegadeFDS\Server\BRenBot\ (enter)
```

```
E:\E:\Westwood\RenegadeFDS\Server\BRenBot>brenbot.exe (enter)
```

Nothing comes up at all

Instead of: 'cd E:\Westwood\RenegadeFDS\Server\BRenBot\' do: 'cd

Westwood\RenegadeFDS\Server\BRenBot\'
