Don't have a desktop atm because I don't really need one atm and prefer not to have to sync my files. I do have a nice internet connection though.

I bet you took that from your dedi
Seriously, that's a connection to drool over

Actually its more then likely that its his home connection. I know a few people over NL that have 120mbit home connections. Its insane. They get super speed while people in the UK get anywhere from 2mbit to 20mbit
