I did something interesting last week (Feb 6 FYI) by using advantage skins for a couple hours.

I used the following:

-Spongebob Timed C4
-Spongebob Remote C4
-Spongebob Proximity Mines
-Spongebob Nuclear Strike Beacon (custommade in Photoshop in 30 secs)
-Spongebob Ion Cannon Strike Beacon (custommade in Photoshop in 30 secs)

Needless to say, the advantages are stunning. Had them removed in disgust.
