iwantwar wrote on Sat, 14 February 2009 05:54do u hink u could get on my teamspeak and help me if i give u the info on how to get in i could rely use your halp and ill give u step by step on what u need to do to get it downloaded and to get in if u dont already have it plz help

Alright, but don't be terribly surprised if I start sounding mean

What's the teamspeak info?
