The screenshot shows a Mozilla Firefox browser window displaying the website <http://www.tiberium-planet.com/>. The browser's address bar shows the URL, and the status bar at the bottom indicates "Done". The website itself has a dark blue header with the text "TIBERIUM-PLANET" in large, white, bold letters. Below the header is a navigation menu with links for "Home", "Forums", "C&C 95", "Tiberiansun", and "Renegade". A section titled "Affiliats" contains three columns of text, each with a link and a brief description. The first column is for "The Planet Game Servers", the second for "Command and conquer", and the third for "Dedicated". Below this is a white banner with blue text that reads "RELIABLE WEBHOSTING STARTING AT JUST € 0,40 PER M". Underneath the banner is a promotional image for "Your Modpage laeubi.de" featuring a man's face and a red and yellow logo. At the bottom of the page, there is a section titled "Tiberium-Planet : Latest news" with a sub-heading "New jacked". The news item is posted by "Recon" on "20.02." at "04:31" and the text reads "Tiberium recently has a new jacked."
