I would try to do them myself but i have lost my copys of paint shop pro 7 and photo shop pro 7
i'm still trying to look for them..

where can i find blank pt icons?

we are making this for my server and i would like to know if i edit the objects.ddb and put a new pt
on there and put only the turrets or gts or anyother stuff will the person be able to buy them and if
they download the pt icon will they see what it is?

also how would i go about adding commands for my server like !b C4 it cost so much refills all
your c4 how would i do that?
