Subject: TT TEASER! - water rendering and widescreen fix Posted by Crimson on Tue, 14 Apr 2009 00:33:33 GMT View Forum Message <> Reply to Message

Saberhawk showed me a tiny bit of the graphics improvements he's working on for TT's upcoming patch. This includes vastly improved water and scripts.dll 4.0's fix for widescreen monitors. You can click on the images to make them larger in accordance with forum rules about stretching the screen.
