You're going to have a hard time insulting Ryan if that's what you aim to do, here.

Edit: Besides, when I leave my house (several times a day, mind you) I have much more interesting things to do than drive a truck... in mud.

Nope wasn't trying to insult anyone. I was trying to say try it before you knock how un-fun it is. The second half was directed more toward everyone else.

Well I'm sure that's not all they do is drive trucks in the mud.

But anyway the post was about the song. I'm sure there was atleast 1 other person who enjoyed listening to it.
