YazooGang wrote on Wed, 05 August 2009 20:40I got a crack ut3 first and liked it and so i bought it so i can play online.

Guess what, dont listen to Renegade-X team about the price of ut3, i'm not saying that they are lying but it a different price at different stores. I got ut3 for 50 bucks.

Amazon says that you must've bought it when it first came out, don't do that
