Zeratul wrote on Tue, 26 May 2009 11:12 Well ea games keeps ruining and cancelling good games and people jsut look for reasons to complain about them... Blizzard on the other hand are completly awesome and are practicly worshiped... kinda liek Bungie  
Yeah, thank GOD for them releasing Starcraft: Ghost, never delaying Starcraft II on account of World of Warcraft, and releasing Diablo III on a timely manner

oh wait
