Thanks Reaver! I actually like this rifle a lot...I really don't mind it's model...

But I was using another Beta rifle made by jamiejrg sometime ago.
<http://renegadeskins.forumieren.de/sniper-rifles-f76/renegade-beta-sniperrifle-t 463.htm?>

It has a longer barrel and is advantage on tunnels since u can see the barrel sticking out...

So I will use yours instead now!
