You must be insanely bored!

Good job with all of them

Nah, I basically did this:

Made the APC skin in an hour, played an MMORPG called Rappelz for about 3, needed a break so I had dinner, made the Flamer which took 1 and a half hours, then went to bed, woke up, did homework, got bored and made the Recon Bike, but while I was taking pics I got carried away with Pawky's wallpaper (I know he loves his Recon bikes) and then I thought "You know, I think I'll do the buggy. After I visit my mate." went to his place, stayed for a while and got back to do the buggy.

Then I realised I forgot the Harvester. xD
