@T0RN

how about this ya fucking douche, we have a criminal justice system, and MJ was acquitted of his charges.

it's called "innocent until proven guilty", NOT "guilty no matter what the fuck you do."

so, if you hate our criminal justice system so much, why don't you move to iran or saudi arabia where a simple accusation can land you in the torture room? that might be more to your liking.

by the way, dont forget your quran
