How can you tell me it's nonsense? You are not me. You don't know how I think nor do you know how I perceive surroundings or react to stimuli. How can you tell me that what I know I feel for a fact is wrong?

BUT HOW DO YOU KNOW WHAT YOU FEEL IS ACTUALLY WHAT YOU FEEL HOW CAN YOU PROVE YOU'RE NOT ACTUALLY KEANU REEVES WITH YOUR HEAD PLUGGED INTO A GIANT COMPUTER MEANT TO KEEP YOU COMPLACENT WHILE YOUR BODY HEAT POWERS A CYBORG ARMADA BENT ON DESTROYING HUMANITY? HOW DO YOU KNOW THE SECOND AND THIRD PART OF YOUR DELUSION DON'T TOTALLY SUCK?
