Seven pages about something that was resolved in page one...

Ethenal wrote on Tue, 06 October 2009 10:30Maybe someone's said it already, but a00 nicknames won't matter once TT's released; current (and naturally later) versions of scripts.dll sort servers by playercount, not nickname. And once TT is pushed to everyone, that entirely eliminates the problem.

Cunin wrote on Tue, 06 October 2009 22:16So what about removing that stupid ladder completely anyway? That will fix all problems, all point whores, all kill whores (well, most), and it's pretty broken anyway (top players=top whores...), so I can't even understand why it's still up.
I never liked ladders because they promote the worst gameplay.

I agree with this ^
