Never used bigheads tbh. The only thing I ever used online was RGH. (I used DH, and ROF In singleplayer)

And, Chew... What respectable server would just remove A ban??? Uhm, MatriX? 1337-Snipers? Exodus?

And to your other question, In my own servers I've caught around 5-10 Cheaters between the 3 month period. Mostly RGH'ers.

I'm not encouraging anyone to hack online, But the hacking I did just made me a better mod tbh. I know the bugs of the cheats, And I know what to look for.

Read my siggy to see what I'm admin/mod at.

RGH is detectable, but loop only in spectator mode ^^
