Are we talking about the time I was kicked from DOM? If yes, YES it HAPPENED! I ADDMITTED THAT. But that was back in April if I remember correctly. Since the time I was kicked from DOM I DID NOT use the command.

Please get it right this time, I never said I NEVER used it, I only said I have not used it SINCE I was kicked.

Clear enough?!

Omg. I used it in a FEW public games but I NEVER EVER used it in clan games. This is ridiculous. STOP MAKING SH1T UP.
